

Statistics - Mathematics JOINT SEMINAR

TITLE:

Opportunities in Mathematical and
Statistical Sciences at DMS

SPEAKER:

Professor Sastry Pantula
Division Director of DMS/NSF
ASA President
Department of Statistics
North Carolina State University

*Please note special
day, time & room*

PLACE & TIME:

Monday, November 7, 2011
Room 133 SMI
3pm

ABSTRACT:

In this talk, I will give you an overview of the funding and other opportunities at DMS for mathematicians and statisticians. I will also talk about our new program in computational and data-enabled science and engineering in mathematical and statistical sciences (CDS&E-MSS).

Cookies and Coffee @ 2:30p in Room 1210 MSC
