Discussion Sections

I will answer questions concerning course materials, show solutions to homework if necessary (formal solutions will be in my website if did not show during discussions). I will specially prepare you for exams, so make sure you come especially in the week before midterms and final.

- **331/311** 1:20 W, B215 Van Vleck
- **332/312** 1:20 T, 214 Ingraham
- **333/313** 12:05 W, B325 Van Vleck

Content of these three discussions are the same so you only have to take once a week, but your homework will be returned on the discussion you denote on your homework.

Homework Policy

1. **Collection** Homework will be collected in lecture on every Tuesday. You can also put your homework in my mailbox located on the first floor of MSC not late than 5PM. Late submission will **NOT** be graded.

2. **Returning** I will return the homework to you in the following discussion, together with solutions.

3. **Homework Formatting** PRINT your NAME and DISCUSSION NUMBER on the upper-right corner of the first page, failure to do so will cause no grading or return. Multiple pages shall be stapled.
